EXPANSION DIEPPE

ANNUAL REPORT 2024

With 50 years of expertise, the organization is shaping a thriving ecosystem by supporting businesses and driving the region's strategic development.

Le choix évident pour la réussite.

50th anniversary celebrations!

The City of Dieppe's economic development agency was established in 1973, initially as the Dieppe Industrial Park Limited. At the time, its primary mission was to develop the Dieppe Industrial Park. Located in the heart of Atlantic Canada, Dieppe was already an obvious prime location. Concerted efforts were made to attract commercial and industrial businesses.

Over the decades, Dieppe's sustained growth has relied heavily on the dynamism of this sector. The industrial park is continuing its expansion today, supported by development plans that keep pace with the changing needs of local businesses and new industrial realities.

In the 1990s, the organization broadened its mandate to include support for downtown and business park development. It then adopted the name Economic Development Corporation of the City of Dieppe, reflecting a clear desire to broaden its scope to include the entire economic fabric. Over time, this strategic evolution led to a new identity: Expansion Dieppe.

Driven by a proactive approach, the organization is now recognized as a pillar of opportunity and a key player for economic development in southeastern New Brunswick.

Celebrating our 50th anniversary provides an ideal opportunity to highlight our milestone achievements and look forward with confidence to a prosperous future.

Message from the Chair

2024 was in many ways a milestone year for Expansion Dieppe. Not only did we proudly celebrate our 50th anniversary with the Pioneers' Evening on November 21, we also took a major step forward with the development of our new 2025-2028 Strategic Plan.

This new strategic plan was carefully designed using a collaborative approach, in partnership with our stakeholders, the business community and the municipality. It enabled us to draw valuable lessons from the successes of the past four years and to identify priority actions to ensure resilient economic growth for Dieppe. Our warmest thanks go to all those who contributed to this essential exercise, which will guide our development for years to come.

2024 was also marked by changes to our Board of Directors. At our Annual General Meeting on June 3, 2024, we were delighted to welcome Roger Melanson, who brings valuable expertise to our organization. We would also like to thank Claude Paré for his years of commitment and leadership. In addition, I would like to acknowledge the important contribution of Yolande Landry and André Pelletier, who completed their final terms of office after several years of active participation on the Board. Their sustained commitment, enlightened ideas and constant support have greatly contributed to the evolution of Expansion Dieppe.

I would like to express my deep gratitude to all the members of the Board of Directors for their unwavering support, strategic vision and commitment to our mission.

Since 1973, the agency has established itself as a key player in economic development, attracting companies, supporting innovation and enhancing the region's entrepreneurial vitality. Thanks to a collective effort and a clear vision, we are ready to meet tomorrow's challenges and pursue our mission with determination. Thank you to all those who, in one way or another, contribute to making Dieppe a place of opportunity and prosperity.

Message from the Executive Director

2024 will be remembered as a pivotal year for Expansion Dieppe. Not only did we pursue our economic development mission with impressive results, we also proudly celebrated 50 years of commitment and growth.

The Pioneer's Evening, organized as part of our 50th anniversary celebrations, was a highlight, where we paid tribute to those who have shaped Dieppe over the decades. It was an opportunity to recognize the exceptional contribution of the pioneers of our business community and to reaffirm our commitment to the future.

At the same time, Dieppe once again reached an all-time high, with a fourth consecutive record year of building permits issued, confirming the attractiveness and economic vitality of our city. Our industrial, commercial and residential sectors continue to grow, attracting ever more investment and new businesses.

Another highlight of the year was the 22nd edition of the Expansion Dieppe Banquet, held at the UNIPlex. The evening highlighted the innovation and resilience of our region's entrepreneurs.

Congratulations to this year's winning companies: Global Pet Foods, Productions l'Entrepôt, Olé Hibachi and Twisted Electric.

These successes were facilitated by the strategic vision of our Board of Directors, whose involvement is essential to our growth. I would also like to express my deep gratitude to the Expansion Dieppe team, whose dedication and expertise make all the difference.

As we begin to implement our 2025-2028 Strategic Plan, we will pursue our mission with passion and determination. Together, let's continue to build a strong, innovative and resilient economy for Dieppe.
